

AFRICA FOUNDATION

empowering communities • enabling conservation

ABOUT AFRICA FOUNDATION

Founded in 1992, Africa Foundation's purpose is to uplift, up-skill and empower people living in identified rural communities near core conservation areas.

We believe that empowering communities to develop in ways that secure their future welfare, contribute, to the conservation of Africa's spectacular natural environment and wildlife. We build long term relationships with communities and facilitate the delivery of projects that they identify. Working in complete collaboration with community members, government and other stakeholders, we ensure that the appropriate structures are in place to guarantee the long-term sustainability of the projects developed.

OUR FOCUS AREAS

EDUCATION

From early childhood development centres, through to primary, secondary and high school, Africa Foundation supports communities in improving the quality of, and access to, education in rural communities. Since 1996 Africa Foundation has offered bursaries for tertiary level education (CLEF Bursaries) providing young people with the life changing opportunity of attending college or university.

HEALTHCARE

Many rural communities do not have local healthcare facilities nearby. Africa Foundation works with communities and municipalities to increase access to a range of medical services in rural locations.

Lack of access to safe water supply is also a reality that Africa Foundation works to address through provision of boreholes and dams, and solutions such as hygienic waterless 'EnviroLoos' to provide a safe sanitation option where water is limited.

LIVELIHOODS DEVELOPMENT

Opportunities for work are restricted in rural communities, denying many people the opportunity to earn a living and break the cycle of poverty. Africa Foundation supports the development of small businesses, with infrastructure, equipment and the essential training requires to ensure the business is sustainable.

CONSERVATION

In partnership with andBeyond, Africa Foundation is increasing the understanding and willingness among communities, to protect and preserve the land and wildlife. Conservation lessons for school children and teachers bring key messages to life, while tree planting initiatives are a practical way of improving the environment at schools. In addition, programmes such as Rhinos Without Borders and Oceans Without Borders aim to protect some of Africa's most endangered species.

OUR FOOTPRINT

Africa Foundation is active in 66 rural communities in South Africa, Botswana, Kenya, Tanzania, Mozambique and Namibia.

We work with communities close to conservation areas where our partner, luxury experiential tour operator andBeyond has a presence.

ACHIEVEMENT HIGHLIGHTS

Education

- 265 Classrooms
- 29 School Kitchen / Dining Facilities
- Accommodation for 22 teachers
- 475 CLEF Bursary Students

Healthcare

- Construction or Renovation of 5 Clinics
- Accommodation for 10 Medical Practitioners
- 265 Ablutions or Enviroloops
- Enabling Access to Water at 59 Sites

Livelihoods Development

- 11 Commercial Farms
- 5 Craft Markets
- 18 Additional Small Businesses

Conservation

- Lessons to >11,000 students / 500 teachers
- Translocation of 87 Rhinos and 22 calves born
- Oceans Without Borders initiative launched in 2018

MAKE A DONATION

Africa Foundation is an independent, non-profit, tax-exempt organisation registered in South Africa. NPO registration number: 004-145.

Our allied partners *Africa Foundation USA* and *The Africa Foundation UK* aid the donation process, providing tax and gift-aid benefits to donors resident in the UK and USA.

To make a donation through one of Africa Foundation's partner organisations, select your preferred country on our website and follow the donation link.

To make a donation to Africa Foundation in South Africa, please see below details.

Donate via EFT:

Account Name: Africa Foundation

Bank: Nedbank

Branch Code: 146905

Account No: 1469 047 268 SWIFT Code: NEDSZAJJ
